Very sad to hear this. My father Frank A Strange, introduced me to Moose when I worked one summer delivering Canada Dry. Nicest guy ! My sisters said he was at our home once while my Dad was painting and all they remember is that Moose helped paint the ceiling without using a ladder. He was invited to dinner and my Mom had to make an extra lb of spaghetti for him. Everyone in our family loved Moose! I had the pleasure of working with Moose years later at Coca-Cola. He will be missed. My condolences to the family.
