“ Gary was like a brother to me. We had many good times together. I remember when the food group would go out to dinner on Friday nights they didn't want us sitting next to each other as we had too much fun and the rest of the group thought they would be asked to leave.

Gary and my brother were both born on the same day & date at the same hospital. Thank you Gary for your friendship. It will always be remembered. God Bless.

“ Gary was my best friend, and godfather to my youngest son. I just heard of his passing and I'm devastated. Just a wonderful man. I loved him. God rest you dear friend.

“ It has been many, many years since the Owens family lived on White Street and I lived behind them on West Onondaga Street. What a wonderful family and how well I remember them after all these years. Back then everyone called me Shirley but today everyone knows me by Shelly. Hoping you might remember me from those days so long ago. So sad to see another of this dear family has passed on. Rest In Peace Gary.

God Bless, Shelly Scofield Polge.
