“ My dear cousin, so saddened to see this. Families lose touch but never are they too far from our hearts. Always took time for my Mama even after daddy (Uncle Lee) passed. And although through the years we did not keep in touch she took time to come to David's funeral and was heartbroken to hear of Hal's passing as well. Our thoughts and prayers with her children. grandchildren and siblings. She was always so kind to everyone. Patty (Dann) Redhead
