“ I knew Barbara from her time at Maria Regina. I was working there and she was a student and then worked a summer with us. I remember her deep devotion to her church and family. I remember her excitement when she and David became engaged and then had the privilege of attending her wedding. Such a fun time! She beamed the entire night! I am so very sorry for your great loss. I hope it helps to know she is remembered for her kindness and joy even after these many years.
