

Brenda R. Leemann

August 16, 2023

Brenda R. (Britton) Leemann, 48 of Williamstown, NY passed away at her home August 16, 2023. She is survived by her husband John Leemann, daughter Christine Leemann, daughter Megan Leemann, mother Keitha Britton, brother Rod Britton. The family would also like to acknowledge the aunts, uncles and extended family that offered their love and support throughout this difficult time.

Brenda was employed for 28 years with Ascent Aviation working primarily in accounting. She was an avid photographer, specifically natural landscapes. She could often be found photographing the sunrise after a frigid night of fluffy snow or out on a warm summer night to capture the colors of the sunset reflecting off the water at the family camp. She enjoyed outdoor activities in all seasons, camping, kayaking and snow sports. Autumn was her favorite season, she loved the smell in the air, hiking the high peaks of the Adirondack Mountains in search of “Rasta Trees” (multi color fall leaves) and Thanksgiving with the family.

Above all, Brenda’s #1 priority was her family. She always put her family’s needs above her own. She was happiest when she was with her husband and children, no matter the activity or adventure, if she was with her family, she was where she wanted to be.

As those who knew her well will tell you, she had an amazing sense of humor,

an infectious perfect smile and could be a devious practical joker. She was a loyal friend, wife, mother and possessed the most positive and courageous soul even while facing overwhelming odds. Brenda ran to life as an adventure to be enjoyed and lived it with amazing grace.

Brenda chose not to have a memorial service. Instead, her wish for everyone was to enjoy the wonder of this world every day. In lieu of flowers or food items, she requested that you make a donation to St. Jude Children's Research Hospital or Hospice of CNY.

“ *Brenda Renee was everything her obituary said. She was a very loyal friend and always put my health before her own health. She asked me often how I was doing and always sent me loving messages. Her struggle was so much worse than I could even imagine yet she never showed it. I will miss her terribly and want the world to know how much she meant to me. I love you my dear friend. Our memories will forever be with me and I'll never let them go*❤️
