“ *Carol and I were in the Choraliers in high school. We had a lot of fun. She was so active in sports! There wasn't much she couldn't do! Prayers abound for all whose lives she touched and will miss her.*

“ *Carol was so sweet. We really hit it off right away when she came to Texas to visit Dennis. She noticed I collected Precious Moments and she bought me one of the favorite ones and it is two ladies holding a heart and says friendship. I will always cherish it and think of Carol and the time we had together. My condolences to the family.*

“ Many years ago I lived on West Onondaga Street and Carol and her family lived on White Street. We were all good friends and I loved her Mom and Dad. We spent many hours playing together back then. It's been years and I haven't Carol but remember her, Betty and her brothers. Just wanted to send my deepest sympathy to her family and hope her brothers just might remember me. They might also remember the Goff family who lived up the street from them...movies at the Franklin when we had money to go - those were the days my friends. Special, special memories of Carol and her dear family. God Bless.

“ I am so sorry to hear this news. I talked to her when Betty died. Carol was a great gal. Had a lot of fun especially when our kids were young. Hoping a family member will contact me. Tamma
