“ *My condolences to the family. I remember Eloise as a cousin, visiting in Woodard gatherings with grandma Nina Balsley, mom Myrna, and almost always together with Bessie and Fern. One of my earliest memories is the Woodard reunion at the Fergerson camp on Sandy Pond in the early 1960s. Also, her visits to the funeral home on behalf of the American Legion. Rest in Peace, cousin! - Jim Fergerson*

“ *Ms. Kimpland was my afternoon kindergarten teacher (1967-68). I still remember her love and kindness and getting down on her knee to give me a hug, before I went to have surgery. Many more good memories that I have and will cherish for the rest of my days. RIP & thoughts and prayers to her family.*

“I have a lot of memories of Aunt El coming to Florida in the winters. She played hours of Scrabble every evening with my mom, Aunt Fern and her friend Sibby. I learned a lot of new words watching them make stuff up and argue that it was a real word. Aunt El was a passionate and very competitive Scrabble player. May God bless her as she enters the Kingdom of Heaven. I also want to thank my cousin Jay (and everyone else) who patiently provided care, love and help to Aunt El during her time of need and failing health. RIP Aunt El!
