“ My sister Gerri, was sweet, kind, compassionate and loving. She was devoted to her husband and son. A 1977 graduate from Assumption Academy in Syracuse, she kept in touch with her fellow classmates as well as family and friends through FaceBook. Though she suffered from MS for over 25 years, she was always upbeat - never complaining of not feeling well (when asked how she was, she always responded “fine”, how are you?). With the encouragement and support of her husband, Gerri became a charter member of the Ladies Ancient Order of Hibernians. In a wheelchair- my sister remained active in all their charitable activities until recently. She was also active with various medical and social activities in the MS Society in Louisville. What a role model! I could go on and on, just know I will miss you daily and love you forever. Until we are together again....
