“ To Jacqueline, Yes, I know it's Jacqueline but it was fun to hear you retort" that's not how you spell my name"! Always did what I could to annoy you but then isn't that what brothers are supposed to do. Thank you for your joy, kindness, compassion, and tell it like it is attitude. We were so lucky to have such a "one of a kind" sister. Our universe was so special because you existed in it. Love, Rippy (or as you would call me, !Jeffrey! when I "got your goat").

“ Jackie was a loving and caring person. She had a listening ear and a great sense of humor. She accepted people for who they were. Pretense was not a part of who she was. Jackie will be missed by Family and many friends. May she rest in Eternal Peace. May the Perpetual Light shine upon her for all eternity.
