“ *Janette was a neighbor at Sleeth Mill Cir. Our relationship developed in our later years but I enjoyed her so much. We did more laughing together even when she was not feeling well. I feel so fortunate to have had her as a friend. I will never forget the good times we had together. May she Rest In Peace.*

“ We were neighbors of Jeanette for decades. We raised our children together and sent many hours together as families. Every Sunday was spent at Green Lakes Park at the same picnic table grilling chicken and supervising the kids jumping off the diving board till they were exhausted. Then home to Manor Drive to unpack picnic supplies, shower dirty kids, and get ready for a work week ahead. We bowled, golfed, traveled, and hung out together for years together. Our Children are still friends and spend time with each other. Jeanette was a charismatic woman always ready for the next adventure. She will be missed by many. Jeanette loved life and lived it to its fullest. Walt and Audrie Moyer
