“ *Oh Peg, my heart goes out to you. I remember things from years ago. I had to pick John and Peter up in my Firebird. John was in the back seat and I can't remember the story but Peter and I were laughing about it a month or so ago. I will relay it to you when Peter refreshes my memory. Always a great laugh, a great guy. You have such great memories and I enjoyed reading your adventures. Update to follow. My love to you and family. ❤️*
