“ *My beautiful friend, daughter in law's sister. The light of the party, this sweet sweet soul. You have gone far to soon for me, for us. I still remember you as a young teenager , my neighbor. I remember you at Steven's graduation party and many others. You always had me laughing and smiling . Please watch over us as the angel you have always been . I am heart broken and I know many others are too!! I love you sweet girl.*
