

Kelli M. Lewin

June 7, 2024

Kelli M. (Fassett) Lewin, 54, of North Syracuse, passed away on Friday evening, June 7th, 2024. Born in Syracuse, she graduated in 1988 from CNS High School and, in 1993, from Albany College of Pharmacy. She had been a pharmacist for the past 30 years. She started her career at PHP and finished it working for Wegman's.

She was diagnosed with cancer in May 2019. She faced the disease head-on, never losing hope, her sunny smile, or her positive spirit until the very end.

Kelli loved to spend time at the family camp in Cooperstown as well as frequent visits to Lake Placid. She loved to read a good murder mystery book, kayak, build a roaring campfire on summer nights, bake delicious desserts, and spend time with friends and family. Her husband, children, and her dog, Yogi, were among the great loves in her life.

Kelli touched many lives over the years, volunteering at her children's school, and in her career as a pharmacist.

Those who were fortunate to spend time with Kelli, relished her sense of humor and infectious laugh.

Surviving are her husband of 22 years, Greg; daughter, Abby; son, Jake; parents, Paul and Marsha (Smoke) Fassett; an aunt, Molly (William J.) McCluskey; cousins, Lori (Tom) Raush and David (Dr. Lynnette P.) Smoke McCluskey and their son, Finn.

The family would like to extend a special thank you to the entire staff at Hematology-Oncology Associates for taking such good care of her. We also

appreciate the outpouring of support and memories shared by her wide circle of friends and family.

Kelli requested to be cremated with no services. Her ashes will be interred in the family plot of North Syracuse Cemetery.

Donations, in Kelli's memory, may be made to your favorite dog shelter/charity or to a cancer research fund.

“ Dear Greg, Abby and Jake....I'm so sorry for your loss. Kelli's passing is a loss to me as well. She was a wonderful friend. Sweet, funny, generous, extremely thoughtful and just an all around great girl. Kelli fought her illness with everything she had. Never complaining and never giving up. I'm so relieved that she can finally rest. It was really a priviledge to know her... and to call her my friend. I will miss her immensely.
