“ *So sorry for your loss , When I met Phillis I was driving the bus at Maple Downs, I knew her as Judy,when I mention that I was raised in West Monroe she became Aunt Phillis. She would get on the bus just to ride with me and she would share stories with me about our home town. Roger Shaw*

“ *Aunt Phillis was an Aunt I rarely got together with but absolutely enjoyed every single time we did get together. I'm glad the good Lord gave her so much time on this earth but know she is better off happy and in Heaven. Our condolences to the family whom we also love very much.*
