“ Sandra, David, Colette, Michael and Mark, I am deeply sorry for your loss. My heart goes out to you all and your families. I will always remember Len as one of the most intelligent and kindest people that I ever knew. He had a tremendous impact on me as a young man and provided more influence on how I treated others (through his example), my career choice as an engineer and just how to be a good person and mentor to others as he was to me early in my life. God Bless you all and may you celebrate Len’s life together. He was truly special and so kind. Sincerely, Ted

“ Len. From the time I was a little child, I always thanked God for giving you to me as a brother. We had many fun times together. And not once did you ever argue with me. ‘Til we meet again. Love. Your “little sister.”
