“ I have known Loretta since she moved to Paul Ave when she was 10years old. I lived right next door to her. She became more like a sister to me. As we got older she would call me every day. We would talk about everything. Loretta was very strong but also a hard head! She also was a very caring person! When we went to breakfast or lunch with Toni C. and Marybeth M. we became the Paul Ave. strong girls! Toni C. and Marybeth M. Both lost their husbands this year and than Loretta got very sick! She was very stubborn and refused to call her Dr. when I would ask her too. I was so sad when Kim called me to tell me she had died. I knew it was coming but it still was a shock! The good part is Loretta does not have to suffer anymore and Kim and her family don't have to either. Loretta, I know you are with God and I will always be praying for you and remembering all our fun times together. Love you always , Toni and Ralph too! ❤️🙏🙏🙏🌹 Loretta was the youngest of us Paul Ave girls, we will miss her!
