“ To Mer,kids, and grandchildren. Your WIFE, MOM & Grandma was always wanting and willing to help and be a part of get togethers. Very much with her hugs and her camera! I will always remember how much her time with family was so important to her. Please know that her memory will live on with her love for her family! I love you all. Tracie WilkinsNies

“ To all of the people who do not believe in wearing a mask, social distancing or Covid in general, I'm here to tell you that it is most certainly real because that is why my mother died. She died because of ignorance and just plain stupidity. My father Merwin lost his wife of 57 years and my brother and I lost our mother and our children lost their grandmother. So if you care about someone wash your hands, social distance and for God's sake wear your mask.

*Jon, Debbie and Mer, my sincere condolences on your loss. In my young married life having Lynn and Mer for neighbors was a blessing. Lynn was so good to everyone, was always up for a neighborhood gathering and was a good friend. I think of those days often. She will be missed by many. God bless you all and be with you during your mourning.*
