“ PEG ROOT Czarniewicz and I were friends neighbors, and classmates at Saint John the Baptist. Together we were cheerleaders, honor students, senior class play "stars" .Those were truly halcyon days! Too soon gone but fondly remembered. Blessings to all Peg's family, friends, students.

“ I am very sorry to hear of Mrs. Czarniewicz's passing. I have many wonderful memories of her. She was my 6th grade Social Studies teacher. I also saw her often in Sunday mass. She was a wonderful teacher--so intelligent, so good at teaching us. I looked forward to her class every day, and had a lot of respect for her. I also loved watching her lead songs during mass. It was always amazing to me when she would hit those high notes. May she rest in peace and her family be comforted in their loss.

“ *Mrs. Czarnewicz was truly a class act. She taught me 6th grade social studies at St Rose. We truly loved being her students. We learned quickly how to spell her last name as that would get us bonus points on a quiz. Every person has a teacher or two that made a difference as they grew up and for me that was Mrs C! Her faith was inspiring and her love of family even more so. Sending prayers to all of her family at this sad time. I will always remember her as a great lady!*

“ Dear Family, I first knew Peg when she was my daughter's teacher. Over the many years she always remembered her name & asked about her. I know that this one of the special traits about her caring heart. Then we reconnected at the St. Rose choir. Always friendly & supportive to me as a newbie. Loved seeing her with her grandchildren when they would join her in the choir. Always loving, teaching, guiding and Hugging each one. I always admired her many skills & caring nature. Peg remains with us in our hearts .May God Bless You All.

“ Mrs. Czarniewicz was an amazing Mom to her own children, and to her “other kids” - her kids’ friends, like me. Every day she gave her smile and words of encouragement. And she made the best “sun tea” on the planet. She was sunny part of my childhood. I will always cherish those moments.

“ Peg was one of the finest teachers one could have on her faculty. She was a dedicated and excellent teacher. She was very dedicated to St. Rose of Lima School. I kept in touch with her over the years since I left St. Rose and she always had that fun loving spirit and always ready to lend a helping hand to anyone who could use her help. Peg was always well prepared for her lessons and instilled a love of learning to her students. We had many happy times at St. Rose. Her sense of humor was contagious and enjoyed by all. She will be missed but I know that she is at peace embraced in God's love. My prayers are with all of the family especially Anne, Helen, Joe, Steve and Andrew. Be assured that she will be watching over all of you. She always held all of you close to her heart including all of the grandchildren.
