“ Mom- where do i even begin? There aren't enough words to explain how much you mean to me. You made me who I am and I live my life often thinking, What would mom do in this situation. My heart hurts already, even though i am happy that you are at peace now, no more suffering. I know you are with Dad and Bobby and all our loved ones, but still it hurts. My are my heart, my rock and my hero! Love you and miss you always till we are together again! ❤️❤️❤️

“ So sorry to hear of Marjories passing. I worked with her during my first few years of teaching at Main St School. She was very supportive of me and taught me much I needed to know about working with young children. She was a good soul.

So sorry to hear about your Mom. She was a great person and true friend to the Henderson's. Since talking to Tom yesterday I keep thinking about all the fun times we had growing up on Orchard Dr. Your mom was great. Remember those good times the next couple of days.
