“ *Marlene was the neighborhood authorities for my parents.. ANYTHING we did if Marlene found out, might as well of been my parents finding out. haha loved and hated driving down the street just a smidgen over the unposted speed limit. She was always there to help babysit my son Matthew for the first 3 years of his life. she taught him a lot with puzzles and basics of a 3 year old. Always there to help when needed. TOO many memories to share. God bless Marlene. Thanks for being the neighbor we all learned from good and bad.*
