“ I want to tell the Yoest family how saddened I was to see that Nancy had passed. I have very fond memories of times being in your home on Hazelhurst and of Nancy letting me learn to ride her 2 wheel bike in the back yard when mine was too heavy for me to keep it upright. I remember grilled cheese sandwiches sitting around the kitchen table and Oh and trips to the baseball games because your dad had an extra ticket. Very fond memories
My prayers are with y'all
