He talked about Comic-Con with me often I enjoyed checking out his pictures he shared with the celebrities he met. Rest easy Phil*

“ *I worked with Phil at Excellus and his positive energy got us both through some VERY challenging days. He truly made an impact on me as a new employee here in utilization management. I missed him when he moved to pharmacy and am heartbroken to hear of his loss. Sending my sincere condolences to his family and friends.*

“ I am so sorry to hear of Phil's passing. When I started working at Excellus back in 2017, Phil sat across the cubicle wall from me. I would hear him all day long calling our Medicare members and helping them get connected with information about services they needed. One day I walked over and told Phil that he had the BEST voice for calling our members and I always enjoyed listening to him make his calls. Since we went virtual, I have missed his good morning smiles. He will be greatly missed by all of us he has touched.

“ My condolences and sympathies go out to Phil's family and his friends. My memories of hanging out for hours at Comic Zone with him as he got me into collecting and even in recent years talking to him about all things comics and movies over our fb chats. Rest in peace my friend!
