“ Ritchie Rich,
You will be missed so very much in the physical sense. Your smile, kindness, honesty, humor and wit, as well as your generosity and love will always be with us. Your strength, ability, and determination to adapt in life has always been admired. There are so many wonderful qualities about you, too numerous to list. As we have often discussed, you are the essence of a True Gentleman. I will mention you always gave credit to your Mother and Father for that! I thank you for the honor of your friendship and the honor of your trust. I thank you for the many conversations, sharing with me your life, hopes and dreams, as well as your worries. What your friendship means to me cannot be expressed in words. I know you know that. Thank you Ritchie Rich for always having such a positive impact on my life. Your friendship is and will always be one of the true blessings in my life.
