“ *Todd was a best friend! He left a huge impression on many. He lived his life to show others kindness, love, respect and how to be A LEGEND! From eating dinner with family to the ends of this earth on a cruise ship, Todd was always there for me! He was a great friend, great listener, great dancer and a great wanderer. He wandered to far this time and found a much better place to call home. I'm going to miss him until we meet again. RIP Todd Moore, I love you my friend!*
