“ Bill And I were cousins and he was my best buddy growing up. I always looked forward to our visits either at his family's house in Cicero or our house in the country in Oswego County. Bill thought it was great to go exploring in the woods around my house, but we had the best of times at my parents cottage on Cristal Lake, swimming, fishing, boating, exploring and at times getting ourselves in trouble! LOL! We stayed close friends through our teen years then life pulled us apart.
Rest in peace Bill! Hope to see you in the after life!
Cousin Doug.
