

Zachary Stultz

October 16, 1987 - May 7, 2026

Zachary Stultz, 38, passed away on May 7, 2026, in San Antonio, Texas. He was born in Syracuse, New York, on October 16, 1987.

Zack will be remembered by his family and friends for his wit and goofy personality that could make anyone laugh, as well as being the fun uncle who was always a natural with kids. He had a passion for great movies and music, always eager to recommend or talk about a favorite album or new movie. Zack also possessed an intelligence and curiosity that provided success in his career as a chemist and fueled his recent interests in traveling to South Korea and Japan. His thoughtfulness was always apparent, whether you were the lucky recipient of a gift, or if you ever sought him out in need of a listening ear. He will also be remembered for his love and devotion to his pets, most notably his years-long constant and loyal companion, the late Sgt. Pepper. He leaves behind his dog Boo-Boo Bear and his cat, Agent Jacqueline Bauer.

Zack is preceded in death by his loving mother, Carolyn Stultz. He is survived by his father Van Stultz (Leslie Mitchell); his brothers Nathan Stultz (Tricia Stultz) and Jacob Stultz (Georgia Clark); and his twin sister Sarah Van de Putte (Paul Van de Putte). He will also be greatly missed by nieces and nephews Caitlyn Munier, Colin Stultz, Desmond Stultz, Jaime Stultz, and Evelyn Van de Putte.

A celebration of life will be held at a later date. In lieu of flowers, please consider donations to support suicide prevention, mental health, and anti-bullying.
